

At Your Service

The most comprehensive guide to serviced apartments in Hong Kong and China, covering Beijing, Shanghai, Guangzhou, Shenzhen, and other second-tier cities, as well as major Asia cities including Singapore, Malaysia and Thailand.

- Owners of top quality serviced apartments seeking top quality tenants cannot afford not to be featured in this exhaustive almanac packed full of all the information decision-makers need.
- Complete listings of apartments by district, details of rates, facilities, room arrangements and value-added services. Available in both print and online editions, a dedicated website at scmp.com
- Distribution: South China Morning Post print subscription and selected database including top management, heads of HR / administration of multinational companies, Chamber of Commerce and Consulate in Hong Kong.
- Also available at selective international movers in Hong Kong, mainland China and Southeast Asia for free distribution among customers.
- Annually - June.
